Minneapolis Raceway, Inc., has decided not to run a scheduled season of weekly racing in 2012.

Instead, we plan to run special events during the summer. When such events are scheduled, we will make announcements as to when these will be held.

Minneapolis Raceway, Inc., wishes to give a special thanks to our drivers, race teams, fans, sponsors and employees who have supported us in the last 6 seasons of weekly racing!

We will advise drivers of how Awards for the 2011 season will be distributed.

Minneapolis Raceway, Inc., will honor all financial obligations to fans and sponsors.

Stay tuned for more information about events for the summer of 2012 on our website!
